TRAILHUNTER 1000

TRIMS AVAILABLE: EPS, PRO, ULT, MUD

Experience unmatched power, precision handling, and rugged durability designed to push boundaries and dominate the wild. If you live for the thrill, this ATV is your ultimate ride.

Main Features

Engineered for Endurance

When you demand a vehicle that can take a serious pounding, SWM ORVs answer the call. Each SWM Off-Road Vehicle features a robust, high-strength alloy steel frame, engineered to endure the toughest conditions.

Engine with Superior Performance

Packing an industry-leading punch, our ATV features the most potent powerplant in its class: a 999cc gas engine unleashing a formidable 100 horsepower.

Conquer Comfortably

SWM ORVs feature an innovative, ultra-reliable suspension system with 20% more travel than competitors in its class. This means superior off-road performance and enhanced driving comfort – you'll definitely feel the difference.

More Storage

Our design features integrated front and rear sunken storage compartments, providing ample space for all your gear and exploring essentials.

Intelligent Options

Elevate your ride with our ATV's deluxe intelligent features, including: Tri-mode EPS, Engine Braking, Intelligent Throttle Control, multiple work modes (Eco/Std/Sport), Active Descent Control, Anti-theft, and Electric Gear Shift.
