## NOMADER 850

TRIMS AVAILABLE: EPS, ULT HV

With generous seating and an always-prepared powertrain, this versatile machine is built to excel. From family fun to tough job sites, the Nomader 850 is engineered to conquer.

### Main Features

#### High-yield Strength Alloy Steel Frame

The Nomader 850 is built for lasting durability, featuring a high-yield strength alloy steel frame. This robust construction ensures exceptional toughness and resilience for whatever adventures lie ahead. You can trust its rugged foundation to handle the toughest conditions with confidence.

#### Class Leading Engine

Dominate the trails with the Nomader 850's class-leading 82 hp engine. That's a powerful 10 hp advantage over competitors in its class. Get ready for unmatched performance and acceleration that leaves the others behind.

#### Superior Control & Comfort

Experience an incredibly smooth ride with 20% more suspension travel than competitors. This class-leading design absorbs bumps and rough terrain, giving you superior control and comfort.

#### Eco, Std and Spt Drive Modes

Tailor your ride with three dynamic drive modes and responsive electronic throttle control. This combination ensures precise power delivery and an optimal experience for any terrain or task.

#### Haul More

Haul more and do more with the Nomader's 992 lb (450 kg) cargo box capacity and a robust 1,830 lb (830 kg) towing capability. With a 1,200 lb (544 kg) total payload, it's built to carry everything you need for work or adventure.
