TRAILHUNTER 580

TRIMS AVAILABLE: BASE, PRO

From conquering trails to exploring shallow waters, the versatile Trailhunter 580 is your all-in-one companion ATV that delivers top performance at a lower cost. Whenever you're ready, it's prepared to excel.

Main Features

Updated Reliability

All SWM ORVs are framed with high-yield strength alloy steel frame delivering superior reliability for harsh application scenarios.

Dominant Engine

Industry leading gas powered engine delivers 46hp max power. Thanks to BOSCH EFI, our engine offering superior fuel efficiency, smoother power delivery, lower emissions, and an overall better driving experience. Its larger displacement, combined with EFI's precise control, optimizes performance for the next level.

Optimized Driving Comfort

All SWM ORVs comes with innovative and reliable suspension design with 20% higher travel VS rivals in its class, enhanced driving comfort & off-roading superiority.

Enhanced Storage Capability

Built in front and rear sunken storage box provide even more ample space for all your gear and essentials.

More Intelligent Options

Elevate your driving experience with an array of premium intelligent features on our ATV: Tri-mode EPS, Engine break ing system, Intelligent throttle control, Eco / Std / Sport work modes, Active descent control, Anti-theft system. These advanced upgrades ensure a smoother and more enjoyable ride.
